PROFESSIONAL SUMMARY

Motivated and detail-oriented Full Stack Developer with hands-on experience in building responsive and dynamic web applications using modern frontend and backend technologies. Possesses strong foundational knowledge in HTML, CSS, JavaScript, React.js, PHP, MySQL, and Node.js, along with additional programming knowledge in Java and C#. Currently pursuing a Higher National Diploma in Software Engineering at ESOF Metro Campus. A highly adaptable and quick learner seeking a Software Engineer Intern position to apply technical knowledge in real-world projects while continuously enhancing professional skills.

TECHNICAL SKILLS

Languages	JavaScript (ES6+), PHP, C#, Java
Developer Tools	VS Code, Git, GitHub, Figma, GitHub Pages
Frameworks	React.js, Node.js, Bootstrap, jQuery, MySQL, HTML5, CSS3
UI/UX	Figma, Responsive Design, Wireframing, Prototyping
Other	CRUD Operations, REST API Integration, Basic AI Tools

EDUCATIONAL QUALIFICATIONS

Higher National Diploma (HND) in Software Engineering <i>ESOF Metro Campus</i>	2025 – 2026
Diploma in Information Technology <i>ESOF Metro Campus</i>	2024 – 2025
G.C.E. Advanced Level <i>Zahira College, Kalmunai</i>	2021 – 2024
G.C.E. Ordinary Level <i>Zahira College, Kalmunai</i>	2020 – 2021

EXPERIENCE

Freelance Web Developer <i>Part-Time</i>	Remote, Sri Lanka <i>Jul. 2024 – Present</i>
- Developed and deployed responsive web applications using HTML, CSS, JavaScript, PHP, and MySQL - Architected frontend interfaces and integrated backend functionality for dynamic content delivery - Implemented full CRUD operations and managed relational database schemas across multiple client projects - Optimized application performance and improved UI/UX consistency for enhanced user engagement - Collaborated with team members via Git & GitHub for version control and efficient task coordination	

PROJECTS

Velvet Vogue — Cloth Company Website <i>HTML, CSS, JavaScript, PHP, MySQL</i>	Aug. 2025 – Present GitHub
- Built a full-stack e-commerce business website with dynamic product display and intuitive UI - Integrated PHP backend with MySQL for real-time product and content management	

- Implemented complete **CRUD operations** with relational database normalization and query optimization
- Designed a mobile-friendly, responsive product display interface with clean **CSS** layout

Personal Portfolio Website

Live Demo

HTML, CSS, JavaScript, GitHub Pages

- Designed and developed a fully responsive portfolio to showcase projects, skills, and contact information
- Implemented mobile-first layouts ensuring cross-device and cross-browser compatibility
- Deployed and maintained via **GitHub Pages** with continuous updates through **Git** version control

Eco-Friendly Travel App

Figma Prototype

Figma, UI/UX Design, Wireframing, Prototyping

- Designed high-fidelity mobile application interfaces using **Figma** following user-centered design principles
- Created detailed wireframes, user flow diagrams, and interactive prototypes for usability testing
- Focused on accessibility, intuitive navigation, and visual consistency across all application screens

LANGUAGES

Tamil (Native)

English (Fluent)

Sinhala (Fluent)

SOFT SKILLS

- Teamwork
- Communication Skills
- Analytical Problem Solving
- Time Management
- Adaptability

INTERESTS

- Full Stack Web Development
- Frontend / Backend Development
- UI / UX Design
- Mobile Application Development
- Open Source Contribution
